1. My voice to God shall rise; I seek Him on His throne.
2. I scarce can speak a word, So troubled is my soul;
3. O Lord, will You re-ject Your peo - ple with - out end?

In days and nights of trou - ble I seek God a - lone!
Yet I re - call Your grace to Is - rael long a - go.
Has fa - vor ceased? Are You no more our Heav'n - ly Friend?

When I re - mem - ber Him, Then am I sore dis - tressed!
I sing Your praise by night; My heart will med - i - tate;
Your prom - ise and Your love In an - ger are ob - scured;

My spir - it faints and longs to find In Him its rest.
My spir - it pon - ders all Your grace And won - ders great.
My sin has turned Your hand a - way, Your beau - ty blurred.
